Dear Ms. Walters:

We at City-County Federal Credit Union are investigating the possibility of adding several suburbs of the city of Minneapolis to our field of membership under the "serving the underserved" clause in the Chartering Manual. We therefore request, under the Freedom of Information Act, that the NCUA provide us with a copy of the approved application for the addition of the cities of Minneapolis, Golden Valley, St. Louis Park, Crystal, New Hope, Robbinsdale, and Hopkins submitted by Honeywell Employees Federal Credit Union.

We hope that you will give our request in this matter your prompt, favorable consideration. If you have any questions, please feel free to have someone from your staff call me at (763) 549-6110.

Honeywell Federal Credit Union

Dear Mr. Young:

We have approved your request to serve the underserved area in Hennepin County, Minnesota. The enclosed amendment must be adopted in accordance with the instructions provided and must not be altered in any way. The following actions are required for the amendment to become effective:

- The board of directors must adopt the amendment at a meeting held in accordance with Article XXI, section 1, of the bylaws.
- The appropriate persons must sign and date the AMENDMENT TO CHARTER in the proper place.
- File the completed certification form with the credit union's official charter. There is no need to forward a copy to NCUA.

You should be prepared to provide periodic service status reports so that we may ensure the needs of the community's residents are being met. Any future requests to add underserved areas to your field of membership may require evidence of your service to those underserved areas already approved.

If you have any questions concerning the contents of this letter or the enclosed certificate, please direct them to the Division of Insurance in this office.

Sincerely,

Jane A. Walters

Dear Mr. LeConte:

Thank you for your reply to Honeywell Federal Credit Union's recent proposal to expand our field of membership through the addition of a qualified Investment Area. Per your response, we are notifying you that we wish to change the boundaries of our proposed Investment Area. The new Investment Area consists of the entire cities of Brooklyn Center, Crystal, Golden Valley, Hopkins, Minneapolis, New Hope, Robbinsdale and St. Louis Park. This new area qualifies as an Investment Area based on Median Family Income.

Rough maps of the proposed area are enclosed; additional revised maps are on file with Steve Warden with the NCUA Division of Insurance. Given the new Investment Area's similarity with and proximity to the original area, we do not see a need to modify the remainder of our business plan at this time.

(1) Exam date ratios are annualized. (2) Prior year ratios are based on estimates. (3) This ratio relies on the maturity distribution of investments reported per 5300

instructions. Thus, the maturity distribution could be based on the repricing interval and not the actual maturity of the investment. The exam date ratio is calculated consistent with prior years. (4) For all years prior to 2000, net worth includes donated equity, which is not a regulatory component of net worth.

(5) Exam Date ratio: Net Charge Offs is YTD Net Losses plus (Average Monthly Net Losses from the prior year, multiplied by the number of months needed to equal a 12 month period). Example: If the exam date is 3/31/2001, the net charge off ratio for the exam date is: (YTD Net Losses) + (Average Monthly Net Losses for the year 2000, multiplied by 9). This is necessary to calculate 12 months worth of charge-offs with the available examination data.
